EDUCATION

UX Design Master's Degree @ EDNA* 2019 → 2021
Montreal, Canada

Working half time with startups in Centech, and the other half time on school projects. Introduction to entrepreneurship with a mini-startup project. (Creation of a startup around an innovative product)
Projects in partnership with Jalon Montréal and VidéoTron.

Interaction Design Bachelor's Degree @ EDNA* 2017 → 2019
Nantes, France

Studied UX / UI Design, agile methodologies, users testing, graphic design, web programming languages (HTML/CSS) and Human Centered Design.

Participated in AccorHotel Hackaton in Paris.

Worked on projects in partnership with Pôle Emploi and Zenbus

Foundation year in design @ EDNA* 2016 → 2017

Baccalaureate Scientific Equivalent to « A » level 2016

WORK EXPERIENCE

Product Designer @ Powertree Sept 2019 → Current
Montréal, Canada

Worked on responsive features to fit mobile, tablet and desktop needs of the app. To make it the easiest to use and also the most complete because it is used by different types of professionals. (Building owners, Engineering firms, electricians).

Product Designer @ Grad4 Sept 2019 → Sept 2020
Montréal, Canada

Worked from scratch in collaboration with another designer for the V2 of the platform launched in June 2020. Created wireframes, conduct user testing sessions, created design documentation, did QA and follow up the development. Also created the show-up site.

UX Design Intern @ Sensipode Sept → Oct 2018
Nantes, France

Assisted UX designer, worked with insurance company to redesign their extranet and subscription path, lead a workshop during Digital Week.
