EDUCATION

Interaction Design Bachelor's Degree at l'Ecole de design Nantes Atlantique *2017-2019*

Studied UX / UI Design, agile methodologies, users testing, graphic design, web programming languages (HTML/CSS), 3D modeling and Human Centered Design.

Participated in AccorHotels Hackaton in Paris. Worked with different profiles (Developer, Manager & Business) in difficult conditions.

Designed web and mobile applications. Produced an online portfolio and an app concept for festival-goers.
Created an interactive product that produces live music and animations.
Worked in several projets with partner companies.

Foundation year in design at L'Ecole de design Nantes Atlantique. *2016-2017*

Studied different types of design (Interior, Interaction, Graphic, Product, Packaging) in order to make a choice for the second year. Studied the basics of drawing, also Photoshop and Illustrator.

Baccalaureate Scientific equivalent to "A" levels *2016*

Learned the basics of HTML/CSS in Computer science option. This helped me to choose L'Ecole de design.

WORK EXPERIENCE

UX Design Intern - Sensipode Agency, Nantes *Sept-Oct 2018*

Assisted UX designer, worked with insurance company to redesign their extranet and subscription path, lead a workshop during Digital Week Event, learned shadowing and interview method for an UX workflow. Experimented client and budget constraint.

Order Picker - France Sécurité, Nantes *Summers 2017 / 2018*

Picked products in the warehouse and packed the orders.
